

5/24/22

Mrs. Campbell's Kindergarten Class,

As the school year is coming to a close, I want to thank each of you and your families for all the memories we have created this year! I am thankful that I was able to be your Kindergarten teacher. I have watched you learn so much this year and I am so proud of each of you for how far you have come. Each one of you hold a special place in my memories.

Please know that my door is always open for hugs, advice, and anything you need. I can't wait to watch you achieve your dreams!

Warmly,

Mrs. Campbell
